Pene-Lube® Lubricant and Moly Pene-Lube® Lubricant

FEATURES

- Available in liquid and aerosol
- Nonchlorofluorohydrocarbon propellant in aerosol
- Contains solid lubricants for longer-term lubrication than conventional penetrating oils
- Penetrates and loosens rust
- Displaces water
- Retards corrosion
- Moly Pene-Lube® Lubricant fortified with MoS₂ for improved disassembly and load handling; provides extreme pressure lubrication

COMPOSITION

Pene-Lube® Lubricant:
- Petroleum distillate containing a dispersion of solid lubricants, corrosion inhibitors and oxidation inhibitors

Moly Pene-Lube Lubricant:
- Petroleum distillate containing a dispersion of MoS₂ and other solid lubricants, corrosion inhibitors and oxidation inhibitors

USES

Pene-Lube Lubricant is a multi-purpose penetrating lubricant for loosening rusted parts, stopping squeaks, providing short-term corrosion protection and water displacement. Moly Pene-Lube Lubricant is a premium penetrating lubricant for loosening rusted parts and providing long-term lubrication.

Typical applications for these lubricants include: aiding disassembly of parts; lubricating locks, hinges, cranks, sliding doors, tools, chains, cables. Additionally, Moly Pene-Lube Lubricant can be used for applications such as switch linkages, knuckles, pins, pivots. See Table I for a list of specific applications for these products.

Specification Writers: Please obtain a copy of the Dow Corning Sales Specification for this product and use it as a basis for your specifications. It may be obtained from any Dow Corning Sales Office, or from Dow Corning Customer Service in Midland, MI. Call (517) 496-6000.

DESCRIPTION

Pene-Lube and Moly Pene-Lube Lubricants are specialty lubricant products manufactured by Dow Corning. Pene-Lube Lubricant is a multi-purpose penetrating lubricant composed of a petroleum distillate containing a dispersion of MoS₂ and other solid lubricants, corrosion inhibitors and oxidation inhibitors.

HOW TO USE

Pene-Lube and Moly Pene-Lube Lubricants can be sprayed or brushed on without surface pretreatment.
STORAGE AND SHELF LIFE
When stored at or below 90°F (32°C), Pene-Lube and Moly Pene-Lube Lubricants have a shelf life of 60 months from date of manufacture. Refer to product packaging for “Use By” date.

PACKAGING
Pene-Lube Lubricant is supplied in 12-oz (340-g) aerosol cans, 1-gal (3.1-kg) bottles and 55-gal (174.6-kg) drums. Moly Pene-Lube Lubricant is supplied in 12-oz (340-g) aerosol cans and 5-gal (15.9-kg) pails. All weights, net.

SHIPPING LIMITATIONS
DOT Classification: Combustible.

DOT Classification, aerosol: Flammable gas.

LIMITATIONS
These products are neither tested nor represented as suitable for medical or pharmaceutical uses.

SAFE HANDLING INFORMATION
PRODUCT SAFETY INFORMATION REQUIRED FOR SAFE USE IS NOT INCLUDED. BEFORE HANDLING, READ PRODUCT AND MATERIAL SAFETY DATA SHEETS AND CONTAINER LABELS FOR SAFE USE, PHYSICAL AND HEALTH HAZARD INFORMATION. THE MATERIAL SAFETY DATA SHEET IS AVAILABLE FROM YOUR DOW CORNING REPRESENTATIVE, OR DISTRIBUTOR, OR BY WRITING TO DOW CORNING CUSTOMER SERVICE, OR BY CALLING (517) 496-6000.

Fleet applications:
- Ignitions
- Door and trunk lid locks
- Lug nuts
- Brake fluid bleeder valves
- Carburetor linkage
- Truck tie downs
- Door hinges
- Brake star adjusters
- Parking brake cables
- Speedometer cables
- Garage door opener chains/ screws

Galvanic applications:
- Bolts and studs on engines, gearboxes and differential cases that are crusted with dirt, rust and corrosion
- Seized bolts and nuts and rusted parts
- Rusted couplings, bearings, pivot pins and guide pins
- Locks, hinges and chains that are “frozen” with rust
- Squeaking spring leaves, chains and hinges
- Frozen railroad switch plates and tie downs on auto transport cars
- Electric motor coupling removal and freeing sticking brush holders
- Firearms, fishing reels
- Locks, hinges, cranks and sliding doors and windows
- Conveyors, material handling equipment and chain drives
- Construction equipment, farm machinery, draglines and cables

WARRANTY INFORMATION – PLEASE READ CAREFULLY
The information contained herein is offered in good faith and is believed to be accurate. However, because conditions and methods of use of our products are beyond our control, this information should not be used in substitution for customer’s tests to ensure that Dow Corning’s products are safe, effective, and fully satisfactory for the intended end use.

Dow Corning’s sole warranty is that the product will meet the Dow Corning sales specifications in effect at the time of shipment. Your exclusive remedy for breach of such warranty is limited to refund of purchase price or replacement of any product shown to be other than as warranted. Dow Corning specifically disclaims any other express or implied warranty of fitness for a particular purpose or merchantability. Unless Dow Corning provides you with a specific, duly signed endorsement of fitness for use, Dow Corning disclaims liability for any incidental or consequential damages. Suggestions of use shall not be taken as inducements to infringe any patent.
